

Cerberus® PRO

Cerberus PRO is the complete dedicated portfolio for Siemens Solution Partners in the UL/ULC Fire Safety market. Cerberus PRO is a comprehensive portfolio of fire panels, detection and management stations which meet the needs of simple-to-complex applications.

Customer Choice

We're dedicated to providing decision makers with the right fire & life safety solutions, products, and services to meet your specific needs – so you can continue to protect what matters.

Desigo®

Desigo is the complete portfolio delivered by Siemens branches. Desigo offers a comprehensive portfolio of fire panels, detection, mass notification, and management systems that create an intelligent infrastructure and provides the right systems and solutions to meet your comfort, security, and life safety needs for any application.
